21<sup>st</sup> April 2021

Dear Parents and Carers,

There have been several incidents in the last few weeks involving children's toys and possessions in school. Whilst we recognise that children enjoy bringing their own things to school, a growing number of children have become upset as a result of disputes over the toys.

Therefore, I have made the decision that the children would be better off enjoying their own toys and possessions at home where they can keep them safe. Please can you ensure that your child does not bring any personal possessions into school, including football cards for trading.

If you think it would be useful for us to buy some particular toys for the children to play with at break times, please speak to your child's class teacher but only when you feel there is a genuine need that helps them through the day.

If your child brings a mobile phone into school, this must be handed into the office first thing in the morning and to be collected at the end of the day.

Thank you for your continued support. I think this position keeps everything as simple as possible.

Yours sincerely,

*Rich Roberts*

Mr Rich Roberts

Interim Headteacher
