Remembrance Day

A Poem by Beatrix in Year 3.

"Thank you for saving us"

*Thank you for saving us, by taking your life
and dedicating it to ours,*

Thank you for saving us, by fighting in war.

Thank you for saving us, and protecting our liberty.

Thank you for defeating our enemies.

Thank you for saving us, by being brave.

*Thank you for saving us, and making our
country look beautiful.*

*Our thank you is forever,
especially at this time of year.*

*When bright red poppies we wear,
like the blood that was spilled.*

Thank you.
