I Am A Refugee

Written in collaboration with Kelsale Primary School Year 5

Arranged by Emily Barden

I am a refugee,
Listen to my story,
I have come from far away.

One day the whole world changed,
Shadows wrapped around us,
Now I have no place to go.

Thunder clouds took over,
All the light was fading,
Terrified and homeless and in pain.
Camping in the open,
Trying to cross the border,
Praying for a place to lay my head.

*All I want is a safe place to stay,
Someone to talk to, someone to listen.
All I want is freedom, I have one dream:
I wanna be back home with all my heart,
I wanna be back home with all my heart.*

Part 1:

Listen to my story, Listen to my story,
I have come form far away.

Part 2:

I am a refugee, I am a refugee.

I Unison:

One day the whole world changed,
Shadows wrapped around us,
Now I have no place to go.

Climbing over mountains,
Drifting over oceans,
Desperate and starving and afraid.
Hiding in the shadows,
Wand'ring as the wind blows,
Longing for a place to lay my head.

*All I want is a safe place to stay,
Someone to talk to, someone to listen.
All I want is freedom, I have one dream:
I wanna be back home with all my heart,
I wanna be back home with all my heart.*

Part 1:

Listen to my story, listen to my story,
Listen to my story.

Part 2:

I am a refugee, I am a refugee,
I am a refugee.
