

River Journey

Written in collaboration with Aldeburgh Primary School Years 3 & 4
Arranged by Emily Barden

As the source begins to flow,
Splashing over the rocks below,
Meandering along between the trees,
Entering the arms of the glistening sea.

2 Parts (In Canon):

Calmly the river explores.
Playing! And splashing!
Gurgling, slowly it forms.
Gently its journey starts.

In Union:

As the source begins to flow,
Splashing over the rocks below,
Meandering between the trees,
Entering the arms of the glistening sea.

2 Parts (In Canon):

Travelling down through its course.
Meeting! And growing!
Gathering even more force.
Pulled into the sea's arms.
